

The new movie is said to be based on a true story.

She had her hands full working on the project.

Let me thank you all for this wonderful opportunity.

He was overdressed for the occasion.

She and I had a major falling out.

Why do you feel compelled to vote for Obama?

I took you at your lying word.

I don't think that's true.

We had to reschedule all the video conferences in the afternoon because of the system failure.

No sooner had she come home than she burst into tears.

Why don't you give her a call sometimes?

Let me give you a piece of my mind.

How did you come up with that idea?

Do you really think he can get away with it?

I ran into your sister when I was at the bank yesterday.

I think we are in the same boat.

You can take your pick.

She will wind up with her heart broken or pregnant.
